

Sub: Qualifying Requirements for the Vendor Enlistment for the Supply of 220 kV Capacitance Voltage Transformer (CVT)

A	MEG Details	
	1.0 MEG No.	87MEG-09
	2.0 MEG Description	220 kV Class Capacitance Voltage Transformer (CVT)
	3.0 Responsibility Centre	CC
B	<p>Technical Criteria of QR:</p> <ol style="list-style-type: none"> 1. The applicant should be manufacturer of 220 kV or higher-Class Capacitance Voltage Transformer (CVT) 2. The applicant should have supplied at least 15 (FIFTEEN) nos. of single-phase Capacitance Voltage Transformers of 220 kV or above voltage class either directly or through package supplier within last 05 (FIVE) years from the date of application for enlistment. 3. Party should submit performance certificate for 220 KV CVT from any of their client utilities to whom they have supplied & such certificate should not be more than 05 (FIVE) years old. 4. The applicant should have carried out type test of their 220 kV CVTs as per relevant IS-3156/IEC-61869-5 standard. 5. The vendor should have in-house testing facility (routine and acceptance tests) for CVTs as per relevant standards. 	
C	<p>Documents required in support of meeting Qualifying Requirements (QR):</p> <ol style="list-style-type: none"> 1. QR-1: Documents in support of manufacturing facility: Valid ISO certificate/NSIC/UAM/Registration/Factory License/ any other suitable document as a proof of being manufacturer of the required material. Brief details of manufacturing facilities for CVTs are also to be given. 2. QR-2: PO / Contract / Work order copies and their Invoices/completion Certificates etc. in support of supply and a tabular statement of same as per annexure-I 3. QR-3: The performance certificate from any of their end user/ client utilities. 4. QR-4: The applicant should submit Type Test Certificate from accredited laboratory (accredited based on ISO/IEC Guide 25 / 17025 by the National accreditation body of the country), as per IEC /IS/technical specification. The type test reports should not be older than 07 (SEVEN) years as on the date of application. 5. QR-5: Self certification with details of testing facilities. 	
D	<p>Other Documents to be submitted:</p> <p>In addition to the documents required in support of meeting technical requirements as stated above, following documents are required to be submitted by the Applicants applying for enlistment:-</p> <ol style="list-style-type: none"> 1. Three POs of the highest executed values of similar work (see definition at point E-Note below) during previous five years from the date of application. Copy of Invoice / Completion certificate from the concerned buyer/s in support of successful execution of supply against the POs to be submitted. These will be required for calculation of Execution capability 2. Audited balance sheet including Profit & Loss statement for the previous three completed financial years reckoned from the date of application. In case the audited documents are not ready / available, then certified copy by a registered practicing Chartered accountant may be submitted. 3. Latest annual report OR NSIC / SSI / MSME registration certificate / BIS license / ISO certificate/ Certificate of registration from the concerned excise department / any other statutory document as a proof of being manufacturer of the required material. 4. Any other documents in addition to the above which the applicant wants to submit.
