

Guidelines for framing eligibility criteria of prior experience/turnover for the Startups.

Startup India is a flagship initiative launched by the Government of India in January 2016 to build eco-system for nurturing innovation and Startups in the country which will drive economic growth and generate large employment opportunities. Further, department of expenditure, Ministry of Finance vide Office Memorandum dated 20.09.16, has notified that all central Ministries/departments may relax conditions of prior turnover and prior experience in public procurement to all Startups [whether Micro & Small Enterprises (MSEs) or otherwise] subject to meeting of quality and technical specifications. Accordingly, the following guidelines have been framed.

- a) For Startups, in lieu of prior experience, the following requirements shall be complied:
- (i) The Company should be certified as 'Start up' by Inter-Ministerial Board of Certification as constituted by Department of Industrial Policy and Promotion from time to time.
 - (ii) The Company product should have been tested and cleared from a Govt approved third party laboratory as per applicable standards (IS/IEC etc.).
 - (iii) The factory set up shall be inspected by NTPC, for checking the suitability for taking up manufacturing of the product by startup, before declaring it qualified. Inspection requirement shall not be waived off.
 - (iv) The product shall be manufactured only in an Indian Manufacturing facilities / works.
 - (v) No Turnover requirement shall be specified.
 - (vi) Start up Contractor shall furnish performance guarantee for an amount of 10% of the ex-works cost of the equipment(s) in addition to the contract performance guarantee to be submitted by the contractor.

LIST OF NON CRITICAL ITEMS IDENTIFIED FOR STARTUPS

CHP Area

V-Belt Pulley
Sieve Pulley
Sprocket
Gear coupling
Flange coupling
Multidisc coupling
Bushes, Rubber inserts, rubber pads
Pulley lagging
Coupling guards (All types of fabricated items)
MS grills for track hopper, wagon tippers and bunkers
Guide rollers
Skirt rubber
Dust curtain
Scrappers

Ash handling Area

Low pressure water valves
Knife gate valves
Manual plate valves
Nozzles for hydro ejectors
Sleeve for clinker grinder and Ash slurry pumps
Lanterns rings/gland follower for clinker grinders and Ash slurry pumps
Sleeve Coupling

Electrical Area

Non critical Gasket
Switch yard marshalling kiosks
Switchyard operating boxes of Al,SS/ Aluzinc
Junction boxes (fibre for coastal application)
Backlight/Epoxy terminal blocks
Cable gland
Cable sealant
Bus Duct expansion bellow for non-critical application
Sealant compound

CHP Electricals

Pull Cords and switches
Belt sway switches

Instrumentation Area

Rubber seals & O-Rings for Actuators
Brass fittings & SS Fittings for Cu/SS Tubings.
Nut bolts

Boiler/ Mill Area

Shields
Dampers
Anti-erosion grills SS
Shieldbox
SS cassette baffle SS
Clamps
Cone
Classifier
Mill side liners
MDV, MPO, Ventury, MPO plate
Insulation plate
Scrappers
Mill upper skirt
Mill lower skirt
Upper journal housing
Lower journal housing
Hook
Collar

Common Items

Stationary items
Furnishing items
Fabricated items
Fasteners
Sealing materials
Adhesive items

Turbine and Aux items

Gland Packings
Soft Iron Gaskets
Spiral Wound Gaskets
Metalllic/Non Metallic Gaskets
Butterfly valve rubber door seals
Low pressure carbon steel Pipes and Fittings
