

NTPC is India's largest energy conglomerate with roots planted way back in 1975 to accelerate power development in India. Since then it has established itself as the dominant power major with presence in the entire value chain of the power generation business. From fossil fuels it has forayed into generating electricity via hydro, nuclear and renewable energy sources. This foray will play a major role in lowering its carbon footprint by reducing greenhouse gas emissions. To strengthen its core business, the corporation has diversified into the fields of consultancy, power trading, training of power professionals, rural electrification, ash utilisation and coal mining as well.

MSME Cell, NTPC Limited is conducting a National Vendor Development Program cum Industrial exhibition for Micro Small Enterprises (MSEs) and StartUps on 20th - 21st March 2020 at Power Management Institute (PMI), NTPC Limited, 5-14, Film City, Sector 16A, Noida, Uttar Pradesh 201301

The VDP is a two day event.
