TREDS –Factoring

Discrepancy. Sent back to Supplier for corrections and resubmission

Advantages for Sellers

Increased Business Volumes

M1xchange will release the working capital locked up in receivables for the vendor by immediate payments. Vendor will be able to procure more and sell more

Lower Cost of Financing

Transactions on M1xchange are done through a transparent bidding mechanism, enabling funding to vendor basis credit rating of his buyer. Digital transactions enable faster turn-arounds & saves documentation, legal charges & stamp duties

Collateral Free Financing

With M1 Exchange, documentation is simple & one-time, no further documentation is required with the financiers; enhancing overall customer experience & speed of transactions.

DIGITAL SOLUTION OF THE YEAR

Award 2017 By Shri Amitabh Kant, CEO NITI Aayog
